BREAKFAST CLUB

Dear parents,

We are writing to inform you that the school **Breakfast Club** service will continue to be available throughout the 2024-25 school year. This service allows parents to bring their children to school earlier than usual for an extra session that is held from **8:10 to 9:10 a.m.**

As all children who attend the Breakfast Club need to have their temperature checked and disinfect their hands and shoes, and there must be a person in charge of monitoring this process.

Standard health and safety measures will be followed during the breakfast club, with social distancing, materials and resources for individual use, etc...

The Breakfast Club runs from Monday to Friday with a minimum requirement of 5 monthly subscriptions per group. All health and safety measures will be followed in compliance with the precautions outlined in the school safety protocol. Among other precautions, the children will stay in the school dining hall with a 2-metre safety distance (except with siblings).

Children who attend the Breakfast club will enjoy breakfast provided by our school kitchens and supervised free time and play.

The Breakfast Club cost is as follows:

| | |
|--|--------------|
| Day (individual days) | 8€ |
| Month (full month of school days) | 95,5€ |

Families who would like a daily subscription must notify the school office **with at least one day's notice**. Without prior notice the service cannot be guaranteed.

If you would like your child to join our Breakfast Club, please complete the following authorisation slip and send it to the school office as soon as possible.

Regards,

Franc Corbi
